

CHANGING THE PERCEPTION OF AGING

VIRTUAL DEMENTIA TOUR®

YOUR WINDOW INTO THEIR WORLD
"Until There's A Cure, Take the Tour"

The **Virtual Dementia Tour**® is an individual experience through simulated dementia created for families, organizations and companies seeking to better understand the physical and mental challenges of those with dementia.

After experiencing this sensory training, you will have a greater understanding of the realities of what living with dementia is like. This unique, interactive program has been shown to improve communication and care. Learning to create a positive environment for those with dementia can only come from attempting to walk in their shoes.
